

Saxtead Parish Council

Information Technology Policy

Information Technology Policy

1. Introduction

Saxtead Parish Council recognises the importance of effective and secure information technology (IT) and email usage in supporting its business, operations, and communications. This policy outlines the guidelines and responsibilities for the appropriate use of IT resources and email by council members, Clerk, volunteers, and contractors.

2. Scope

This policy applies to all individuals who use Saxtead Parish Council's IT resources, including computers, networks, software, devices, data, and email accounts.

3. Acceptable use of IT resources and email

Saxtead Parish Council's IT resources and email accounts are to be used for official council-related activities and tasks. Limited personal use is permitted, provided it does not interfere with work responsibilities or violate any part of this policy. All users must adhere to ethical standards, respect copyright and intellectual property rights, and avoid accessing inappropriate or offensive content.

4. Device and software usage

Where possible, authorised devices, software, and applications will be provided by Saxtead Parish Council for work-related tasks. Unauthorised installation of software on authorised devices,

including personal software, is strictly prohibited due to security concerns.

5. **Data management and security**

All sensitive and confidential Saxtead Parish Council data should be stored and transmitted securely using approved methods. Regular data backups should be performed to prevent data loss, and secure data destruction methods should be used when necessary.

6. **Network and internet usage**

Saxtead Parish Council's network and internet connections should be used responsibly and efficiently for official purposes. Downloading and sharing copyrighted material without proper authorisation is prohibited.

7. **Email communication**

The Clerk will use the official government issued Email account on the Gov.UK domain. clerk@saxtead-pc.gov.uk

Councillors using non Gov.UK email accounts for Council business must be professional and respectful in tone. Confidential or sensitive information must not be sent via email unless it is encrypted. Be cautious with attachments and links to avoid phishing and malware. Verify the source before opening any attachments or clicking on links.

8. **Password and account security**

Saxtead Parish Council users are responsible for maintaining the security of their accounts and passwords. Passwords should be strong and not shared with others. Regular password changes are encouraged to enhance security.

9. **Mobile devices and remote work**

Mobile devices provided by Saxtead Parish Council should be secured with passcodes and/or biometric authentication. When working remotely, users should follow the same security practices as if they were in the office.

10. **Email monitoring**

Saxtead Parish Council reserves the right to monitor email communications to ensure compliance with this policy and relevant laws. Monitoring will be conducted in accordance with the Data Protection Act and GDPR.

11. **Retention and archiving**

Emails should be retained and archived in accordance with legal and regulatory requirements. Regularly review and delete unnecessary emails to maintain an organised inbox.

12. **Reporting security incidents**

All suspected security breaches or incidents should be reported immediately to the Clerk for investigation and resolution.

13. **Training and awareness**

Saxtead Parish Council can provide regular training and resources to educate users about IT security best practices, privacy concerns, and technology updates.

14. **Compliance and consequences**

Breach of this IT and Email Policy may result in the suspension of IT privileges and further consequences as deemed appropriate.

15. Policy review

This policy will be reviewed annually to ensure its relevance and effectiveness. Updates may be made to address emerging technology trends and security measures.

16. IT-related enquiries or assistance

Clerk and councillors are responsible for the safety and security of Saxtead Parish Council’s IT and email systems. By adhering to this IT and Email Policy, Saxtead Parish Council aims to create a secure and efficient IT environment that supports its mission and goals.

This policy was adopted at a meeting on/...../....., minute reference 25.xxx and will be reviewed in two years or sooner should legislation dictate.
